## **PRIVATE PARTY POLICY**

We would love for you to host a private party at our studio!

- The Crafty Nest and party host decide on a date
- The Host may choose any 3 crafts from our past repertoire to offer to their guests. Each attendee will choose 1 craft
- The Crafty Nest will create a registration link, which host can provide to their friends allowing them to sign up and pay (wahoo no money collecting for you!)
- There is a 10 person minimum in order for class to be held (max of 40) -The Host is required to register/pay before releasing the registration link, serving as a deposit to reserve the date. -Once registration has reached the 10 person minimum, the host will be refunded and provided a "free craft".
- Parties are Semi-Private - there may be two parties going on simultaneously. Each party will have a designated instructor.
- Host/Guests are welcome to BYOB and although we provide a popcorn bar and water, some hosts like to bring their own snacks as well!
- Cancellation Policy
  - Parties cancelled by host outside of 10 days - Host will forfeit his/her deposit, all other guests will be fully refunded
  - Parties cancelled by host within 10 days - Host will forfeit his/her deposit, all other guests will have choice of picking up their raw materials to make at home or pay an additional \$15/person to have The Crafty Nest complete their project.

Please let us know if you have any questions!
