## SEMI-PRIVATE PARTIES

Semi-private parties are a great way to craft with a smaller group of friends. Unlike private parties that require a group of 10 or more, Semi-private parties allow you to enjoy a night of DIY by booking a table for a more intimate group of 5-8 people. This is a great opportunity to spend a fun night with friends, and walk away with a beautiful new piece for your home décor.

You'll share the studio space with up to three other small groups, but still get the perk of an expert-led workshop and one-on-one attention from a Crafty Nest instructor.

We are presently booking semi-private parties at both our Whitinsville and Northborough studios. Semi-private parties require a \$100 deposit to reserve your table, and will be fully refunded on the date of the event. [Click here to see availability on our calendar.](#)

After the \$100 booking deposit has been paid, you may choose any three crafts from the entire Crafty Nest menu – there's a lot of beautiful options to choose from! These will be the craft selections given to your party guests (each guest may choose one craft). Many of the crafts can be personalized with family names, and special dates; and all of the crafts can be customized according to color preferences of wood stain and paint.

The Crafty Nest will take it from here and create an electronic registration link to share with friends and family, allowing them to sign up and pay online (no money collecting for you!). Party guests are welcome to bring their own food and beverages. The Crafty Nest will provide a popcorn bar and water.

### **Cancellation Policy**

The Crafty Nest prides itself on offering personalization such as family names, dates, etc.. This requires preparing and cutting each guest's craft prior to the event. For that reason, semi-private parties that are cancelled by the host within 10 days of the event will result in the host forfeiting their \$100 deposit. All other party guests will have a choice of picking up their raw materials to make at home, or pay an additional \$15 for The Crafty Nest to complete their project. Parties cancelled by host outside of 10 days prior to their event will result in the host forfeiting their \$100 deposit, and all other guests will be fully refunded.
